Some Enchanted Evening

Hunterdon Hills Playhouse

Some Enchanted Evening is a celebration of songs that have become a part of our lives. We sing them in the shower and we sing them to entertain and amuse. This show places five performers -each of whom could easily be cast in any Rodgers and Hammerstein show - in a theatrical setting -- first "backstage", where the songs are sung as personal interplay and then "on stage" where the songs are "performed" for the audience. Of course, the songs themselves and the five performers are the most important elements. Each singer must bring his own style and personality to the songs and to the situations in which they are set.
